OF GREATER CINCINNATI

2015-2016 IMPACT REPORT

OUR MISSION

The Boys & Girls Clubs of Greater Cincinnati helps to save and transform the lives of at-risk youth through providing free, out-of-school and summer youth development programs that supports our youth to become productive adults breaking the cycle of poverty and contributing to our community. *Our mission is to enable all kids, especially those that need us the most, to reach their full potential as productive, caring, responsible citizens.*

THE CLUB EXPERIENCE

Boys & Girls Clubs impact the lives of young people in vital areas such as academic success, healthy lifestyles, and good character and citizenship. We teach our kids about positive self-identity and values. By making our programs entertaining and interactive, we can impart valuable life skills. All of our programs are enriching and educational, but we wouldn't be the Boys & Girls Clubs of Greater Cincinnati if our kids weren't having fun! These Club programs and activities help kids thrive. Whether you volunteer, mentor, tutor, donate or educate others, collectively YOU are making a difference.
