## OUR MISSION

The Boys & Girls Clubs of Greater Cincinnati provides free, after-school and summer youth development programs for our community's most at-risk youth. Helping to break the cycle of poverty, we offer positive alternatives to children who are surrounded by negative influences, teaching them how to live successful and productive lives. Our mission is to enable all young people, especially those that need us most, to reach their full potential as productive, caring, and responsible citizens.

## THE CLUB EXPERIENCE

The Boys & Girls Clubs of Greater Cincinnati impacts the lives of young people in vital areas such as academic success, healthy lifestyles, and good character and citizenship. We teach children how to become productive, caring, and responsible adults. By making our programs both interactive and educational, we impart valuable life skills, positive self-identity, and values. And while all of our programs are based upon proven, research-based curricula, we wouldn't be the Boys & Girls Clubs if our kids weren't having fun! Our kids participate in fun activities with a purpose to help them thrive. Whether you volunteer, mentor, tutor, or donate with our organization, collectively YOU are making a difference.
