LETTER FROM THE BOARD

DEAR FRIENDS OF THE BOYS & GIRLS CLUBS,

Thank you for supporting us during another great year. We are pleased to present our 2015 Generosity Report, which highlights many promising, positive findings that advance and demonstrate our collective impact on the young people of our community. As an organization with a commitment to continuous learning and improvement, we strive each and every day to improve our services in order to open the door of hope and opportunity to the most vulnerable kids in our region.

In 2015, the Boys & Girls Clubs of Greater Cincinnati enjoyed tremendous growth. As part of the 2015 MLB All-Star Week in Cincinnati, we celebrated the grand opening of the new Larry and Rhonda Sheakley Boys & Girls Club in Price Hill with dignitaries from our city, Major League Baseball and of course our Club kids from the neighborhood. In tandem with this new Club opening, we closed our oldest and smallest Club just a few miles away in Lower Price Hill, the Espy Club, after almost 70 years of service. This change in venue allowed us to accomplish two objectives in that neighborhood: first, the new Sheakley Club is optimally located closer to most of our members, and second, we are able to serve more than twice as many kids, which resulted in significant growth in our membership in Price Hill, one of the neediest communities in Greater Cincinnati. In addition, due to positive development changes in Over-the-Rhine in recent years, we also deemed it necessary to relocate our LeBlond Club in Over-the-Rhine to the Seven Hills Neighborhood House in the West End. The new Findlay Street Club now serves kids closer to where they actually reside, in the West End.

Through a management agreement with the Boys & Girls Clubs of Clermont County, we began active management of their three Clubs, located in New Richmond, Amelia and Glen Este, all while working toward a full merger of that organization. The kids who need us most in Clermont are now reaping the benefits of our full “Graduate, Fit for Life, Ready to Serve” program model, and are thriving as a result.

What we have been able to accomplish in 2015, however, is a direct reflection of you: our partners, friends, volunteers and donors who believe that our kids - when given the right tools and experiences - can make a lasting change for themselves and for our collective future.

Thank you for all you do to support our hard-working staff and kids. Great futures really do start at the Boys & Girls Clubs of Greater Cincinnati!

Whether you volunteer, mentor, tutor, donate or educate others, collectively YOU are making a difference.

FORMULA FOR IMPACT

GRADUATE + FIT FOR LIFE + READY TO SERVE = GREAT FUTURES

The Boys & Girls Clubs program model works by starting with young people who need us most. Next, we add an outcome-driven Club experience led by trained youth-development professionals; this includes high-yield activities with regular attendance in targeted programs. The outcome of this model are measurable results that are aligned with local school districts and young people who are educated and equipped to thrive in our communities.

ANNIVERSARY CELEBRATION CAMPAIGN

After 75 years of service, the Boys & Girls Clubs is deeply proud of the achievements of its members. On January 1, 2015, we embarked on the largest fundraising initiative in our history: a $10M capital campaign known as the 75th Anniversary Celebration Campaign! The goal of the Celebration Campaign was to build a brand new Club in Price Hill that would allow us to triple the impact of the kids served in Price Hill continue to provide and improve upon important programming to get our Club members on the path to graduation, capital and endowment investments, and a scholarship fund to support the ongoing achievements of our Club members as they pursue postsecondary education.

ALL-STAR GAME 2015 MIDSUMMER CLASSIC

Since 1997, the Boys & Girls Clubs has been the national charitable partner of Major League Baseball (MLB). Last summer, MLB, the Cincinnati Reds and the Boys & Girls Clubs of Greater Cincinnati came together for the 2015 All-Star Game Midsummer Classic. Over 500 Club members had the chance of a lifetime to participate in activities such as the Opening Ceremony, Mascot Home Run Derby, Largest Game of Catch, Fan Fest, and for the first time, BGC GC was the pilot team for the Wiffle Ball Tournament.

ALL-STAR LEGACY PROJECT

Kicking off the All-Star Week was the grand opening and ribbon cutting of the All-Star Activity Center at the new Larry & Rhonda Sheakley Boys & Girls Club. Thanks to Major League Baseball, Cincinnati Reds and many supporters, a brand new, state-of-the-art, 18,000 square-foot Club was built to triple the amount of young people served and impacted in Price Hill. The All-Star Activity Center includes a full-size gym with indoor batting cages, bleacher seating and a multi-sport surface.

TEAMSMILE

During All-Star week, Major League Baseball sponsored a TeamSmile event at the U.S. Bank Boys & Girls Club so that 300 children could receive free preventative dental care and education. TeamSmile is one of the nation’s premier advocacy groups that partners oral health professionals with athletic organizations to provide quality dental care. Since 2007, TeamSmile has provided over $4.4 million oral health care services to over 9,000 children through 28 different sports organizations.

Club members from the MSU Boys & Girls Club took the victory!
Growing up without a father and an alcoholic mother, Sam didn’t care much about his future. He was bullied all through elementary school; kids calling him ugly, skinny and saying other hurtful things. Until one day, he heard about the Boys & Girls Clubs. Sam graduated 3rd in his class from Oyler High School and rose above the naysayers. He had long gone from being another statistic to becoming a beacon of hope to others in his community. Today, Sam is sophomore at Northern Kentucky University.

Sam is just one example of the impact the Boys & Girls Clubs of Greater Cincinnati has on the youth of our great city. There are thousands of other kids with his same story and with the help of the Clubs, staff, volunteers and mentors, our Club kids have overcome statistics and adversities and will have the opportunity to make their future bright.

"Our Club kids have OVERCOME STATISTICS AND ADVERSITIES and will have the OPPORTUNITY TO MAKE THEIR FUTURE BRIGHT."
Great Futures Start with Academic Success

Every day after school and throughout the summer, the Clubs offer the safety, support, mentorship and inspiration that kids and families depend on. Through dedicated staff, nationally recognized programs and community partnerships, we are positively shaping the future for youth and families in our community.

By the time our Club members reach high school graduation, it is our goal that they not only are persons of good character, but are also equipped with the tools and knowledge they need to succeed in college or a career and to take responsibility for their own well-being.

Through dedicated staff, nationally recognized programs and community partnerships, we are positively shaping the future for youth and families in our community.

"Through dedicated staff, nationally recognized programs and community partnerships, WE ARE POSITIVELY SHAPING THE FUTURE for youth and families in our community."
GREAT FUTURES START WITH A HEALTHY LIFESTYLE

CLUB MEMBER SPOTLIGHT

Lack of confidence, low self-esteem, self-doubt, no encouragement; but a passion and love for baseball didn’t stop Nate from achieving his goal! Ever since Nate saw his first baseball game on television, he knew he wanted to play. When the All-Star Game came around, Nate piped-up and asked if he could join the Wiffle Ball team. The Club staff saw how great Nate was and immediately selected him for the team. After winning the Wiffle Ball Tournament during All-Star Week, Nate’s confidence soared and in the fall of the school year, he tried out for the local team and made it!
