Dear friends of the Boys & Girls Clubs,

Since 1939, we’ve been the destination for tens of thousands of disadvantaged youth in the Cincinnati/Northern Kentucky community. I am so honored to have been named the new President of the Boys & Girls Clubs of Greater Cincinnati, and am proud to work hand in hand with our talented staff and dedicated volunteers in delivering the premier youth development program in our region.

The needs of our kids have never been greater. For the first time in our nation’s history, the core tenet of the American dream – that with each generation, the children will be better off than their parents, is truly in jeopardy. Now, 3 in 10 kids will not graduate from high school on time. 1 in 5 young people live in poverty. 4 out of 10 kids are obese or overweight. At the Boys & Girls Clubs, we are committed to making real, measurable, meaningful impact on these facts through our Graduate, Fit for Life, Ready to Serve program model.

There is so much that we can be proud of in 2012. We continue to grow and serve more of the kids who need us most, now in 12 sites throughout our region. We served more than 7,000 kids in our urban core. Each day, our Club members walk into a positive, safe place for kids, surrounded by caring adult professionals who empower them to achieve their full potential as productive citizens.

We have again delivered excellent results, including a 90% graduation rate, a 77% success rate in kids testing into the “healthy fitness zone”, and over 16,000 hours of community service provided by our members. We launched our TRUleaders initiative for young professionals, allowing even more opportunities for positive adult role models to serve our Club kids. I am particularly happy to report on our graduation rate. This is a meaningful accomplishment when you consider that so many at-risk youth often have high school graduation rates near the 50% mark. It’s no wonder that Boys & Girls Clubs have been named the #1 youth charity in America for 18 consecutive years by the Chronicle of Philanthropy.

As we prepare to enter our 75th year of opening doors to great futures, I hope you will support us. Our kids need it!

At the Boys & Girls Clubs of Greater Cincinnati, we give the children of our community not only a safe haven, but also a place to learn, grow, and succeed. Here, we understand that not all children are born with the equal opportunities and fundamental tools to be successful in the classroom. We provide the additional support necessary to give every child a fair chance at thriving academically and put them on an equal playing field with their peers.

In addition to our exceptional educational program offerings, we are proud to have certified teachers at every location in order to better serve and better prepare our kids for their futures. Through daily tutoring, one-on-one homework assistance and an online program called Kid’s College© [now Stride Academy™], which has boosted state test scores in Math, Literacy and Science skills in schools all around America, we provide our members with the tools they need to thrive in school, graduate with honors and leave the Club with a plan.

2,602 Members Participated in Daily Power Hour & Homework help (34% Increase from 2011)

› 1,067 Members Received One-on-One or Small Group Tutoring (74% Increase from 2011)

› 1,610 Members (Grades K-9th) Participated in Kids College (31% Increase from 2011)

› 193,342 Minutes Logged on Kids College

› Proudly Employing Certified Teachers at all 12 Clubs

› 6 Clubs Utilizing Interns from the University of Cincinnati, Xavier University and Cincinnati State Technical College

“The staff at the Club help you with any problem you have and treat you like you are their own child.”

— Malik

“I get access to things that I would never have access to at home without the Club.”

— Demontrae

“I learned you can have fun while getting good grades...and getting good grades is fun!”

— Nakaya
FUTURE SCHOOL TEACHER
Currently, childhood obesity is at an all-time high, poor oral health is a leading cause of absenteeism in primary schools around the nation and little importance is placed on healthy living. In times like these, the Boys & Girls Clubs help combat the crises at hand with intentional, proven methods of getting the kids in our community healthy and back on track.

The Clubs require 45 minutes of physical fitness each and every day, offering activities, such as basketball, dodgeball and Sharbade—a Club favorite that focuses on shoulder, arm and back development. To keep the kids moving and motivated, we also provide various specialized programs and services, like karate, dance, yoga and even Zumba classes. Our healthy lifestyle programming does not stop with just sports and fitness. The Clubs serve a free, hot, USDA approved meal daily, while constantly teaching the kids habits and skills they need to be healthy inside and out even when they leave our Clubs.

“Fit for Life is the best program, because you learn to work in teams. Teamwork is very important for leadership skills.”
— Zanders

“The Club always has a new activity for us so that exercising is never boring.”
— Laniya

“I used to be shy and didn’t make many friends until I found people like me through sports.”
— Leo
FUTURE ATHLETIC TRAINER
Helping hands are the currency of the world. Without community service, we would not be nearly as civilized or as advanced as we are today. In fact, Cincinnati has historically been one of the most charitable and service-minded cities in our nation. To uphold that tradition, we must plant the seed of stewardship first and foremost in our children.

Starting from the first time they enter our Clubs, we instill in our children the importance of giving back to their community. With monthly service activities and daily opportunities to help fellow members, staff and volunteers, every child realizes his or her ability to positively influence their surroundings. Our Club members learn by examples set for them by our extraordinary staff, thoughtfully-chosen mentors, dependable volunteers and peers in the Club. By the time our kids leave the Clubs, they start their journey into adulthood striving to make the world a better place—starting with the community in which they began.

---

**Boys & Girls Club is like my second home, it is my favorite place to go.”**

— Arnisha

**Ready to Serve helps you give back; you give others a better outlook on the community when you make it a better place.”**

— Blake

**The Club has taught me to be respectful to adults and kids my own age.”**

— Lula

---

- Members completed more than 16,000 Hours of Community Service (Nearly 2,000 More Hours than in 2011)
- 975 Members Participated in our Torch Club (More than 5 times as many members participating than in 2011)
- 987 Members Participated in our Keystone Club (6 times as many members as in 2011)
- Fall Harvest Festival of Fun  Teen Club members, with Give Back Cincinnati, created & hosted a festival for the patrons of St. Vincent DePaul, bringing hope and joy to guests through a variety of activities & games.
- Martin Luther King Day of Service  Members, staff, & BKD, LLP volunteers participated in a full day of service, serving organizations including City Gospel Mission, Children’s Hospital and Our Daily Bread.
- BGCGC Loves the East Coast  Club members collected hundreds of canned goods and money and donated all items to local organizations coordinating Hurricane Sandy relief efforts.
FUTURE POLICE OFFICER
In 2012, BGCGC’s Annual Achievement Luncheon, a long-standing tradition of the organization, was revamped and transformed into a series of events to represent our innovative program model, GRADUATE, FITFORLIFE, READYTOSERVE. On April 27th thru 29th, the Boys & Girls Clubs of Greater Cincinnati and Arby’s presented the first annual Be Great Cincinnati Weekend of events, and members of the community, from business elites to young professionals to teens and children, joined together to make this new tradition a huge success.

ANNUAL ACHIEVEMENT LUNCHEON

PNC Bank presented Annual Achievement Luncheon, a staple at BGCGC, and hosted several corporate community leaders and special guests, including Nick Lachey and Tricia Macke. The luncheon, which represents our GRADUATE program, featured our 2012 Youth of the Year winner, Donzel Bailey, who was honored for his outstanding accomplishments at school, home, community and his Boys & Girls Club. Our luncheon ended with special guest, Nick Lachey, helping us debut the new Boys & Girls Club choir, which sang for our guests during the event closing.

GREAT RACE

During the Great Race, an event embodying our FITFORLIFE initiative, racers in teams of two followed clues leading them around various popular locations in downtown Cincinnati. Even a torrential downpour of rain did not stop participants from running, walking and jogging to each destination while excitedly completing physical and mental challenges. Thank you to intrinzic, inc. for their sponsorship, young professionals for their assistance in event planning and eager racers for their participation in this “Amazing Race” style event.

DAY OF SERVICE

Sponsored by Procter & Gamble and Uptown Rentals, the Boys & Girls Clubs partnered with the University of Cincinnati and Xavier University to present the final event, the Day of Service. Families, individuals, college students, and Boys & Girls Club employees joined together to spend one full day giving back to Cincinnati. Through painting at the Irish Heritage Center, cutting honeysuckle at Cincinnati Parks, gardening at Granny’s Garden or cleaning at Tender Mercies, all volunteers made a lasting impact on our great city. Participants left the day’s event with a sense of stewardship and pride in helping better both themselves and the community.
U.S. BANK CLUB
COMMUNITY GARDEN

Food Network Host Aarti Sequeira, Ohio Senator Sherrod Brown, Scripps Networks president, John Lansing, and more than a dozen Scripps employees joined U.S. Bank Club members in Avondale to install a new Food Network Good Food Garden onsite. This is the 36th Good Food Garden built through Food Network’s partnership with Share Our Strength and Teich Garden System as part of the fight against childhood hunger. In addition to serving as a tool to teach our kids about the importance of proper nutrition and healthy habits, this garden can provide food for up to 500 people up to three times a year.

7th ANNUAL PUNT, PASS & KICK

In partnership with the Cincinnati Bengals and NFL Play 60, this year’s Punt, Pass & Kick event was once again filled with smiles, laughter and friendly competition. More than 200 children from 11 clubs across the city gathered together at our Marge Schott-Unnewehr Club with Bengals players, University of Cincinnati Rotary Club students, staff and BGCGC board members, who set up and executed various activities, including an obstacle course, games and a punt, pass and kick testing station for the kids. Dan Skuta, Bengals de facto special teams captain, Rey Maualuga, middle linebacker, and Michael Johnson, right end, were all in attendance to sign autographs and facilitate pickup games with the kids. This 7th annual PPK event held locally, 51st Annual event nationwide, has once again proved to be a kid-favorite and exemplifies what we encourage and require our children to do each and every day—get up, get moving and strive towards a healthy lifestyle.

BGCGC LOVES DALTON DINGUS

In December, BGCGC heard the story of Dalton Dingus, a 9-year-old Kentucky boy living with Cystic Fibrosis (CF) whose wish was to break the world record of “Most Christmas Cards Ever Received”. Our members at the Roll Hill School Boys & Girls Club and BGCGC staff challenged the entire organization to help make Dalton’s dream a reality. During the month, members not only made hundreds of Christmas cards, but also learned, through kid-friendly videos and discussions, about CF and other life-threatening diseases and how to help others living with these conditions. We are extremely happy to have helped Dalton reach his goal, collecting more than 700,000 Christmas cards in total—far exceeding the previous record of 35,000 cards and, thus, setting the new Guinness World Record.

THANKS TO OUR SUPPORTERS

The Boys & Girls Clubs of Greater Cincinnati serves thousands of children every year due to the support of individuals, foundations, civic organizations, corporations, the United Way of Greater Cincinnati and the Boys & Girls Clubs of America. We thank our supporters for allowing us to continue to invest in the lives of more young people, providing them hope and opportunity to reach their full potential as productive, caring and responsible adults of our community.

JEREMIAH MILLBANK SOCIETY
The Jeremiah Millbank Society is a national recognition society for individuals who give an unrestricted gift of $10,000 or more annually to a local Club. We are honored to have ten Jeremiah Millbank Society members in 2012 who are also members of our own Legacy and Visionary Societies.
