At a Glance

Young people need safe, welcoming places where they can learn, grow and thrive. That's where we come in. Our doors are open to the community's youth, who are invited in to enrich their lives with Club membership, exceptional staff and volunteers, high-quality services and innovative programs, all at no cost. Every day, all of our kids do the things in this "home away from home" that will ultimately make a difference in their lives.

To enable all young people, especially those who need us most, to reach their full potential as productive, caring and responsible citizens.

“

Boys & Girls Clubs have helped me become more vocal and have helped me make friendships and bonds that I never thought I would have. I truly feel as though the Club has made me more mature and given me tools to better cope with my emotions. For all these reasons, and many others, there are very few other places I am as comfortable as I am at the Boys & Girls Club.
